

# “MOWDEN MATTERS”

The definitive guide to Pastoral Matters at Mowden Hall School

June '24

Dear Parents and Carers,

After a slight hiatus in production of Mowden Matters, I am delighted to return it to normal production.

We have had an incredibly busy half term, not least in terms of academic exams, but also in focus of pastoral matters.

I am delighted to announce that we succeeded in our mission to achieve the Wellbeing Award for Schools, demonstrating our long-term commitment to wellbeing and mental health. Thank you for your support with the various questionnaires - I promise to stop asking for these, for a while!

When the summer comes, I wish everyone an enjoyable break, but look forward to the return of the children, current and new, in September.

Lifeboats

We were delighted to welcome the RNLI to Mowden early in June, and appreciated the advice they gave to our children regarding water safety.

Click the logo to the left for beach safety advice.

Did you know... you can now register any mobile phone to text 999 in an emergency. Simply text “Register” to 999 as a text message and follow the instructions. It could help if you are in a location with minimal signal, or if a child is more comfortable sending a text message.

Looks like a highlighter pen?

Sadly it is not. It is in fact a variety of “vape” which is being found in schools. Year 8 listened intently to a discussion on potential hazards they may face in their next schools, and how to deal with them.
