Uniform Labelling

It is essential that **all items of clothing and belongings are named**. Please ensure that ALL clothing is clearly named with either sewn-on name tapes, iron on labels or Permanent Marker.

Stevensons provide this service between May and October, with labels available to purchase at checkout. Any surplus labels are sent within the package and can be used at home. These labels are woven. To find out more please visit their website.

Name labels should be applied in an obvious place, usually by the manufacturers' own label on the inside collar or waistband.

There are a few exceptions to this. On the Mowden Hall Coat we ask that a woven label is stitched along the reflective strip at the outer backside of the neck. This makes it much easier for younger children to identify their own coats. Please apply labels to the outside of the Drawstring PE bag, Book Bag, Swimming Bag and Boiler Suit in an obvious and child friendly place.

Please see below some website suggestions for labelling purchases:
